CENTRAL WOODWORK

Central Woodwork is a Tennessee-based, family-owned and operated millwork company with locations in Nashville and Memphis. Established in 1945, Central Woodwork has a reputation for excellent customer service and quality products. Central specializes in windows, doors, moulding, stair parts and trim.

In 2018, Central Woodwork became part of North Atlantic Corp (NAC), a long standing, reputable New England-based manufacturing and distribution company. NAC is well-known for their custom millwork capabilities that include preassembled stairs, custom wood doors and custom mouldings.
